All recently took training under the Mid-America Red Cross chapter program for Will county region. Omland supervises disaster committee activities for Mokena, Frankfort and Green Garden townships. Maloney is the official representative in Frankfort and Bennett serves in the same capacity for Mokena.

Hope To Get Frankfort Town Census Started Next Tuesday

A new and official census of Frankfort township, which has been on order with the U. S. census bureau since last autumn is to get underway next Tuesday, March 23 -- Mokena willing.

The township and the village of Frankfort are committed to the undertaking. Supervisor George Tate was scheduled to take the question up with the Mokena village board last night.

At its meeting Monday night the Frankfort village board was unanimous in approving the plan for the census, the costs to be borne by the three taxing bodies on a pro-rated basis according to population. Tate told the Frankfort board that unless Mokena joined in the move there would be no census.

According to Tate a recent survey taken in behalf of Silver Cross hospital's construction program, the population of the township is approximately 8,600 now.

Any growth in the incorporated areas, Tate pointed out, will mean more money in the municipal tills. Municipalities share in the motor fuel tax collected by the state on a population basis, receiving something more than \$5 per person, based on a count made in an official census. The regular census will not be taken until 1970. Meanwhile if the proposed special census shows Mokena and Frankfort to have gained several hundred persons each in population they would be able to pay their share of the cost easily the first year and show a handsome profit in the following years, it was explained.

Tate said there was no firm cost figure available. The enumerators will be paid seven cents a name. There is to be 12 enumerators, six from south of U.S. 30 and six north of that line. The census bureau provides a supervisor to direct activities. Tate said that as far as they have been able to ascertain the census would cost around \$2,000 but he felt such a figure would be high. Some guess it would be half of that amount.

Martin Bauer, of the Chicago census office, has been assigned to the Frankfort job. The bureau chooses and instructs the enumerators. The township must find an office for the purpose. Tate has a choice of locations. The entire job could be finished in two weeks, it was said.

If the Mokena board gave approval last night it can be expected that the census bureau will get the job underway March 23.

Township officials began talking with federal people about a special census last May and in November had an application on file with the census bureau. They expected the census would be taken in December but it was not until the latter part of last week that the bureau indicated it was ready, altho it has had all the maps it had requested, a deposit of money, and the other preliminary requirements met,

Tate pointed out. Receipt of these documents was acknowledged in January, this year. The bureau indicated the census would begin in mid-January, Tate stated.

If the census shows Frankfort township has a population of 7,500 or more it will be entitled to an assistant supervisor at the town election two years hence. Tate said that the population figures are important in talking with prospective industries and that they will be needed if the legislature adopts pending legislation which would put county rule on the so-called one-man-one-vote formula.

The Joliet Chamber of Commerce is pushing for a county wide census to be paid for by townships and municipalities. Townships that have had or are having special censuses will not be included in the county program, Tate said, so there is no question about them paying twice.

Under the bill pending in the legislature counties having 200,000 population or under, would be cut up into seven districts, while counties over that figure would have nine rules, or supervisors. Each township would still have a supervisor, however, to administer relief and other business. They added that the

L-W School Play Set For March 26 and 27

Rehearsals are on full swing at Lincoln-Way high for the all school play, "Time Out For Ginger," to be presented in the school auditorium March 26 and 27. Curtain time is 8 o'clock.

By coincidence the top feminine role of Ginger is portrayed by a girl whose real-life name is Ginger, Ginger Radd, of New Lenox.

The piece is a three-act comedy. Ginger, the banker's daughter, is a tomboy. Her dad would have liked to

Lincoln-Way Gains Edge In Musical Sweepstakes

Another state championship, a sweepstakes trophy, is the goal of Lincoln-Way band and chorus members. The school was the winner in 1962 and 1963 and runner up in 1964 in the division for Class A schools.

Lincoln-Way has a good start for the trophy. In the solo and ensemble contest held at Lincoln-Way last Saturday the New Lenox school entries scored a total of 156 points. Ottawa, which won the sweepstakes last year, finished Saturday with 151 points and the next school, Joliet East, had 126.

Final scoring will take place April 10 when the annual state band and chorus contests for Class A schools will be held. Lincoln-Way high will also be the scene of this contest.

If Lincoln-Way gets superior ratings in this final contest, as it has in the past several years, it will again emerge as the sweepstakes winner because of the six point advantage it enjoys over Ottawa.

At the solo and ensemble contests for band and chorus members last Saturday some 1,600 students from 26 schools competed. At the close of the day that began at 8:00 in the morning, 773 soloist and small ensembles had performed before 20 judges and been awarded ratings of superior, excellent, good, fair and poor. Superior and excellent ratings earned points in the sweepstakes competition. In the finals April 10 only superior ratings will count in making the award.

In Saturday's contest Lincoln-Way earned 31 superior ratings, 18 excellent, five good and four fair.

High praise was given Lincoln-Way band, chorus and student council members and those of the faculty who aided contest officials in taking

Other leading roles are taken by Pam Petnuch, of Mokena and Steve Stauffenberg, of Manhattan. Other parts are played by Jayne Wheeler, Margie Olson, Linda Lillvik, Mike Mahan, Rich Seitzinger, Tim Ricketts and Mike Watkins.

ing care of the multitudinous details such a competition entails. Mrs. Della Hussey, head of the math department and Charles Baird, of the business department, had charge of tabulating the scores.

The total points won by each school were: Lincoln-Way, 156; Ottawa, 151; Joliet East, 126; Harlem, 121; Plainfield, 106; Sycamore, 104; Mendota, 102; Roch-

elle, 93; St. Charles, 93; Rich Central, 74; Woodstock, 57; Joliet Catholic, 52; Belvidere, 44; Kankakee, 44; Batavia, 42; Geneva, 41; De Kalb, 39; Morris, 37; Bradley, 31; Crete-Monee, 30; Aurora (Madonna), 30; Chicago Heights (Marian) 29; Aurora (Marmion Milt. Academy), 22; Woodstock (Marian), 16; Joliet (St. Francis), 15; Lockport West, 6.

Eating Gets Superior Rating Too At Contest

Not the least activity at a gathering of the teens is eating and the solo and ensemble band and chorus state contest at Lincoln-Way high school last Saturday was no exception.

The Band and Chorus parents served lunch in the school cafeteria from 11:30 to 2 o'clock. Quite a number of adult spectators took advantage of this opportunity apparently because statistics show 12 1/2 pounds of coffee were brewed (this includes some usage at the snackbar) and among the edibles tucked away were 145 pounds of roast beef, 75 pounds of baked beans and 360 pounds of mashed potatoes.

The snackbar opened at 8

a.m., a fact that is believed to have saved scores of students from death by starvation as most of them had had nothing to eat since breakfast.

The snackbar offered coffee, doughnuts, milk, sandwiches, desserts and sundry items that enabled the students to maintain sufficient strength to get thru the day. Statistics show 585 hamburgers were served, 300 barbeque sandwiches, 192 hotdog ensembles, 12 cheese, 480 bags of potato chips, 50 dozen doughnuts, 800 milkshakes, 900 servings of pie, 50 cakes, 125 pounds of cole slaw, 700 iced drinks and 1,917 half-pints of milk.

Contract Renewal Brings On Hassle At Village Meeting

Contracts with Walter Pfaff and Victor Eisenbrandt, designated in the instruments as employees of the village of Frankfort, were renewed by the village board at its meeting Monday night over the protests of Mayor George Sangmeister.

In fact, when Trustee John Topp made a motion to renew Pfaff's contract, and Trustee Robert Dean made a similar motion to renew Eisenbrandt's, and the motions

were seconded by Trustees Wilbert Klier and Clyde Reils respectively, the mayor announced that he was vetoing the motions and invited the board members to vote. The vote was unanimous in favor of renewing the contracts. Topp, Klier, Dean, Reils and Daniel Hecht, and Milton Subbert voting aye.

In addition to his duties of village clerk, which are not set up in the contract, Pfaff

is designated to prepare and collect all sewer and water bills, keep books showing records of same, pay bills, maintain the water pumps and at both village wells, clean and maintain the village hall and perform other chores. For this he is paid \$431 a month. The clerk's salary is \$280 a year.

Eisenbrandt operates and maintains the equipment at the sewage disposal plant and also serves as a general maintenance man in the village for which he is paid \$380 a month, plus a mileage allowance for the use of his truck on village business.

Their first contracts ran for three years, terminating in 1963. They were not renewed last year but there is an election this year and several weeks ago Pfaff asked that the contract be renewed, beginning April 1. Without a contract he was prepared to terminate his employment on that date.

The question of the contract came up at the meeting two weeks ago. Sangmeister said then that he did not feel that the present board should make any appointments or agreements that would bind the new board.

A full board was not present then and it was agreed to take the matter under consideration preparatory to acting this Monday night.

On Monday night when the contracts were introduced the mayor challenged the right of the council to act on such a matter. He took the position that appointments stemmed from the mayor and

ended when the mayor's term of office came to an end. He cited the Illinois statutes and asked Village Attorney Albert H. Krusemark to read them out.

Krusemark did so but gave it as his opinion that the statute cited applied to village officers appointed by the mayor and pointed out that such officers were listed. He said that in his opinion Pfaff and Eisenbrandt were employees, not officers of the village and the original contracts so stated.

The mayor said he would still keep his own opinion that they were appointments that ended with him and that he could produce an attorney to argue the point.

Krusemark pointed out that the contracts were originally entered into at the insistence of the company that bought the sewer and water bonds that a competent, dependable person be placed in charge of the collection of the sewer and water accounts and the proper keeping of records and that a dependable person be placed in charge of the sewage disposal plant.

Apparently the trustees felt that the needs still exist and should be met, and so renewed the contracts, extending the terminal date to June 1, 1966 to keep it out of politics.

The root of the matter apparently goes back to last

Jan. 18 when the mayor who has been in the office 32 years, told the board that Pfaff been to see him and the two talked about whether to run again. Pfaff has been clerk for more than 40 years.

"He told me," Sangmeister said, "that he didn't think he would run and I told him he should. He said he wouldn't run unless I did."

"I had practically decided not to be a candidate but when he put it that way I said I would run so I am announcing that I will be a candidate and if we want to make a ticket, if you want to make a ticket, now is the time. How many of you are going to run?"

Klier was the only one to state definitely that he would seek re-election. Hecht and Subbert said they were uncertain and Pfaff had no comment.

A few days later the Citizens Republic Party filed a

ticket on which Hecht was a candidate for mayor, Pfaff was a candidate for clerk, Subbert and Klier and Lester O. Heisner were candidates for trustees.

The next to file was a lone independent candidate, George A. Zwolinski, for trustee.

And just before the deadline for filing Independent No. 1 party filed a ticket with Glenn Warning, for mayor; Wayne DePorte, for clerk; Lynn Kehlshagen, Gerald (Jerry) Francis and James (Jim) McLemore for trustees.

All indications are that Mayor Sangmeister is supporting the Independent No. 1 ticket.

The board Monday night adopted a resolution to pay off \$15,000 of sewer and water bonds that can be redeemed had a long time to run and the village thus saved considerable interest charges. The money comes from surplus accrued after meeting all the requirements set up by the bond company.

How to reach a doctor in an emergency if your regular one is away

Dial zero for Operator

Call your Operator, give her your name, address and telephone number, and describe the emergency. She'll ask you to hold the line or stay close to the phone while she takes action.

How we can help

Most Illinois Bell offices have a list of doctors who are available to take emergency cases. Using this list, the Operator, and her Supervisor, will try to reach a doctor close to you. If the doctor wants to speak directly with you, the Operator will connect you. In any event, she will tell you the minute she gets a doctor who can help.

Our other sources

If the Operator can't reach any of the doctors on our list, she will call the nearest service known to handle emergency cases. It may be the county medical society or the nearest hospital. At any rate, she will keep trying to get medical assistance to you as fast as possible.

Even after she does, your Operator—and her Supervisor—will continue to follow through. They will try to keep in touch with you until the crisis has passed.

We can't guarantee that we can get you a doctor in every case. But we can guarantee that we will try our hardest every time.

**Fire Victims Get Aid
From The Red Cross**

After the fire is out, what then?

Homeless families, robbed of their possessions by fire, turn to Red Cross for emergency help and the comfort it brings. In Will County, Red Cross volunteers go to the aid of disaster victims, whether they are members of a family whose home burned down or members of an entire community stricken by widespread catastrophe.

The county regional office of Mid-America Chapter, American Red Cross, aided 66 persons this winter. Its disaster committee, headed by Charles L. Jensen of

Joliet, includes volunteers from most areas of the county.

Arbury Hills

Civic Association To Meet Tuesday Night

MRS. EDWARD HOVI
Telephone: 479-5740
The Arbury Hills Civic Association will hold its regular meeting at the school Tuesday, March 23, at 8 p.m. This will be the first meeting at which the newly elected officers will preside.

Since the township elections will be up-coming on April 6, there will be representatives of both party candidates present at the meeting. They will be prepared to answer any questions asked by the people present.

The township elections are of extreme importance to everyone in Arbury Hills, because they represent the legal authority for this area since it is unincorporated. This meeting will give all our voters the opportunity to have first hand knowledge of the candidates and the party and issue they represent.

There will also be the issue of the water situation brought up at the meeting to keep the people up to date on the matter.

Dick Schwarz, president and Mrs. Edward Williamson, vice president, are planning to attend a meeting of the Southwest Development Committee in Tinley Park. The meeting will discuss progress in the southwest suburbs and what is being done to complete Interstate 80. It is hoped that a report may be completed by the March meeting.

The First Nighters held their meeting at the home of Mrs. Robert Dickerson on March 4. The winner of the hostesses prize is Mrs. Will Way; and the next meeting of the group will take place at the home of Mrs. Evelyn King of 19347 South Beechnut dr. on Thursday, April 1 at 8 p.m.

The Summit Hill PTG held its meeting at the school last Thursday evening, March 11. A short business meeting was followed by a talk on the gifted child by H. James Wrath, superintendent of the school.

Next month will be the annual election meeting for the PTG for the officers for the coming year. The nominations committee is hard at work preparing a slate for consideration of the group.

The Summit Hill Cub Pack Number 10 will hold their Pack meeting at the school Friday, March 26 at 8 p.m. Why not see if there can be a large turnout for the pack meeting too, as well as for the annual banquet.

All the Girl Scouts in the surrounding area held their song fest at the Willowcrest School in Mokena to celebrate Girl Scout Week. The song fest took place with all groups of Girl Scouts, from Brownies to Cadettes, on Sunday afternoon, March 7.

The Summer Day Camp for Girl Scouts in this area will take place at Van Horne Woods on Wolf road and Lincoln highway from July 12 through July 16. The older girls, the Juniors and Cadettes, will conclude their day camp with an overnight campout over Friday night and leaving Saturday morning.

The Cadettes Scouts from New Lenox, two troops from Mokena, and the one troop

from Arbury Hills spent a day of camping at the Kankakee River State Park on Saturday, March 6. The girls arrived at noon and ate a sack lunch followed by hot soup prepared at the campsite.

About thirty - five girls took part in the event, finishing up with supper before returning home again.

The Boy Scout Troop Number 10 are planning an overnight campout at the same Kankakee River State Park this week end. They plan on arriving on Saturday and returning home the following day.

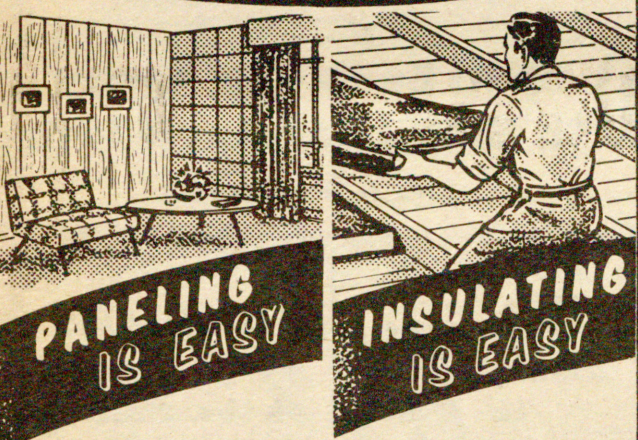

DRUG FAIR

Invitations have been sent to doctors, nurses, pharmacists and others in allied professions to attend a drug fair at Silver Cross hospital, Joliet, on March 25. It will be held on the third floor on the Eagle street side from 8:30 to 11:30 a.m.; 1 to 4 p.m. and 6:30 to 9 p.m. Some 33 drug manufacturers will exhibit at the fair.

Stagg Teacher Presents Paper On Mosquito Curbs

If you notice more fish and fewer mosquitos next summer along the banks of your favorite streams, stop for a moment to thank a science teacher at Amos Alonzo Stagg High School.

He is Norval McCord, Jr., head of the math-science department at Stagg, who co-authored a paper presented to the Illinois Mosquito Control Association. McCord did the research and presented the paper with Dr. Robert Hedeon, manager of the South Cook County Mosquito Abatement District, where he works during the summer.

Subject of the paper was "Laboratory Studies on the Resistance-Susceptibility of Three Fish and a Crustacean to Commonly Used Concentrations of DDT in Northern Illinois."

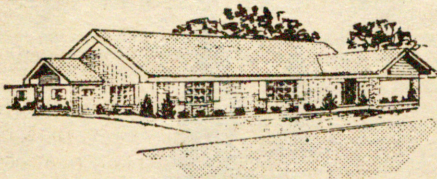

Publication of the paper on mosquito control was especially timely, since much of the emphasis of the meeting was upon the control of encephalitis (sleeping sickness).

McCord said the work interested him for two rea-

NORVAL McCORD sons. "As a biology teacher, I am interested in public health and how animals spread epidemic diseases. This is also closely related to my summer employment and my lectures during the winter as Director of education for the South Cook County Mosquito Abatement District."

Other speakers included people from the Center for Zoonoses Research of Illinois, Illinois Department of Agriculture, Department of Public Health, Division of Preventative Medicine of Illinois, and the University of Illinois.

Mutual Fire, Casualty Firms To Have Week

Mutual fire and casualty companies thruout America will observe Mutual Insurance Week during the week of March 21-27, Willard A. Rowley, president of the New Lenox Mutual County Fire Insurance Company announced today.

The week will be marked by celebrations and special activities all over the country sponsored by the 1,200 member companies of the National Ass'n. of Mutual Insurance Companies.

Mutual Insurance Week was founded last year to celebrate the date Benjamin Franklin founded the first insurance company in America on March 25, 1752. Organized under the mutual plan of operation, Franklin named his company "The

Gives Public Reminder Of Oral Polio Shots

The Orland Park Junior Woman's club would like to remind the public to take advantage of the fact that Sabin oral vaccine against polio to be available March 21 and May 16.

For full protection against polio, it was stated, two drinks of oral vaccine are recommended eight weeks apart. One needs the oral vaccine, it was said, even if the Salk shots have been taken.

The public is further reminded that polio comes and goes in waves. Right now the nation is enjoying relative freedom from the dread disease but how long will the respite last, is the question.

Oral vaccine, it was pointed out, is easy to take. A portion of a spoonful in a small paper cup goes down like water and the only taste is described as pleasant. For those able, there is a fee of 50 cents for this polio insurance. Persons who are unable to make a payment --

Philadelphia Contribution - ship for the Insurance of Houses from Loss by Fire." The company is still operating as one of the most successful mutual insurance companies. It has the unique distinction of being the oldest business of any kind in the country.

"Purpose of the week," said Mr. Rowley, "is to increase the understanding of the general public as to what mutual insurance really is, how it functions and how people can depend upon its expanding services."

Today the property-liability insurance industry has grown to proportions which include more than \$33 billion in assets and \$16 billion in annual premiums. More than 1.2 million Americans are employed by this ever ex-

there are some large families -- will be given the vaccine.

Orland Center school will serve as the distribution center. The school is at 94th ave. and 151st st. The vaccine will be administered between the hours of 10 a.m. and 4 p.m. on the dates mentioned, March 21 and May 16.

Prefix Name Reserved For Lauffer Herd

Norman Lauffer, Tinley Park, will have the exclusive use of the prefix "Normansons" in naming all registered Holstein dairy animals bred in that herd from now on.

Use of this prefix name has been granted by Holstein - Friesian Association of America; it also becomes a part of official breed records at the national headquarters in Brattleboro, Vt.

Nearly 1,500 prefixes are reserved for registered Holstein breeders each year. More than 38,000 are now on file for use in giving distinctive names to home-bred cattle. Reservation and use of these prefix names became an active membership requirement in 1965.

In using an exclusive prefix name for his animals, the purebred Holstein breeder establishes a "trade mark" which is used in all published information concerning the performance of his dairy animals.

The origination of prefix names often stems from farm names, family name combinations, or unique geographical or historical features of the farm operation. Thus, the exclusive nature of each prefix is preserved in selecting a "one and only" term.

FRANKFORT, ILLINOIS

A FRANKFORT GIRL, Janice (Mrs. Chester) Wilke (left) is a member of the Will county young adult women's team that won first place in the Illinois Farm sports festival at Springfield. The other members, reading on to the right, are, Mrs. Marvin Ziebell, Richton Park; Mrs. Virgil Holl, Monee, Mrs. Robert Jurras and Mrs. Willard Fick, both of Peotone. The comely keggers dropped 2,372 pins to take the prize in that division. The young adult men's team winner also was from Will county with 2,732 pin total. A member of the young adult women's team also supplied the tournament with the top individual game Barbara Ziebell, the Richton Park resident, rolled 266, the highest game for any woman.

Will county had another big winner in the person of Alice Mullins, of Wilmington, who carried away the first place trophy in the open class women's singles with a record breaking 640 series -- 185, 210 and 245. Paul Erb rolled games of 185, 208 and 274 for a 667 series and the title for the open class men's singles. His 274 was top score in the men's division for the day.

WINNERS in annual extemporaneous speech contest held in the Lincoln-Way high school vocational agriculture department are (l. to r.): Dom Smego, New Lenox, who was awarded the bronze medal for third place; Terry Seggebruch, Manhattan, who won the gold medal for first, and Jim Jensen, New Lenox, winner of the silver medal. Seggebruch also won the silver medal in the Future Farmers of America speech contest the previous week. In the extemporaneous speaking the contestants drew their subjects 20 minutes prior to delivery. In that 20 minutes they can look up references and work out a set of notes. Speeches must be a minimum of three minutes and a maximum of five. Seggebruch will represent Lincoln-Way at the section contest at Crete-Monee high school on March 25. Robert VanRheeden, vo-ag instructor, is their adviser. (L-W photo)

8-Card Of Thanks

CARD OF THANKS
We desire to express our heartfelt thanks and appreciation to all our friends, neighbors and relatives for their many acts of kindness extended to us during the illness and death of my Dear Brother, Christian Fink, and of my Dear Sister, Mrs. Catherine (Katie) Fink; to the Reverend LaVern Smith for his comforting words; to Arthur Lambrecht, soloist and to Mrs. Hazel Hirsch, organist. Also to those who sent floral offerings and memorials. We will never forget all the loving help given to us.
Mrs. Bertha Klepper and Mrs. Margaret Koener, Frankfort

CARD OF THANKS

For the many cards, acts of kindness, donations and sympathy expressed by relatives, neighbors and friends during our recent bereavement, we extend our sincerest thanks.
Mrs. Edmund Schuda and children

CARD OF THANKS

We wish to thank our relatives friends & neighbors for their many acts of kindness and expressions of sympathy extended to us during the illness and death of my Beloved Husband, Our Father And Grandfather a Special Heartfelt thanks to the Rev. James Parker for his many acts of kindness and prayers.

Wish I'd Said THAT

"If you want something done at once, ask the busiest person you know."—Virginia Gaskill, Pennsburg (Pa.) Town and Country.

"Demand is always on the threshold of change. The most successful of all merchants are those who anticipate a change in demand and use advertising to claim a fresh market."—S. S. Talbert, King County (Mo.) Tri-County News.

"One good way to save face is to keep the lower end of it closed."—Lee Mildon, Salinas (Calif.) Monterey County News.

SHORT AND SWEET

The Mardi Gras was brought to the streets of New Orleans by early French colonists . . . The carnival custom originated in medieval France as a pre-Lenten spree before solemn days of fasting . . . In the old French ritual a garlanded *boeuf gros*, or fat ox, was ceremoniously paraded through town before being roasted for a feast . . . The first day of celebration was appropriately called "Fat Tuesday," from which the name Mardi Gras later derived. . . .

The British also had early celebrations of the day . . . In England it is called *Shrove Tuesday* and has been celebrated since 1445 by a pancake race . . . Contestants run from village to church while flipping pancakes in a frying pan . . . Pancakes were chosen for use on this day because they were traditionally eaten by the British on the days that sins were confessed. The ingredients in pancakes were thought to have special spiritual meaning . . . Eating pancakes symbolized the shrugging away of sins. Flour was considered the staff of life . . . Salt gave wholesomeness . . . Eggs provided the leavening spirit and milk represented innocence . . .

In the United States the first Mardi Gras days featured only informal dances and street celebrations . . . It was not until 1857 that masked balls, floats and elaborate torchlight parades were added to the festivities.

Bowling was introduced to the United States in 1611 when settlers bowled on the streets of Jamestown, Va.

TIME TO PAY UP—The United States. Senator Herman Talmadge (D-Ga.), insists, should demand payment of the Soviet debt to the United Nations. "Any compromise which permits the Russians to escape their obligations will not be acceptable," he said. "For too long now the American people have carried the financial burdens of the U.N."

NO BURNINGS—George Washington University, located in the nation's capital, is offering a course in witchcraft and sorcery which is supposed to give students an insight into forms of modern political behavior.

LION'S SHARE—Of the \$183 million in federal construction funds budgeted for 1966, \$109 million is to be spent in the District of Columbia and vicinity.

THE COST—The Administration's budget works out to just under \$10 a week for every person in the U.S.

STRENGTH FOR THESE DAYS
from The Bible
He who bleeseth himself in the earth shall bless himself in the God of truth. —(Asa. 65:16).

When we bless our own lives we take a great stride toward bettering every condition that involves us since blessing is an effective way of making our lives happier than we ever dreamed possible.
